JOHN E. CAMPBELL, EDITOR AND PROPRIETOR.

Marlinton, W. Va.

September 8, 1892.

DEMOCRATIC COUNTY TICKET.

For House of Delegates, J. P. MOORMAN.

For Sheriff, J. C. ARBOGAST.

For Prosecuting Attorney, L. M. McCLINTIC.

For Assessor, C. O. ARBOGAST.

For Commissioner County Court, AMOS BARLOW.

For County Surveyor, GEORGE BAXTER.

THE REPUBLICAN CONVENTION.

The Republicans of Pocahontas County met in Convention at this place on the 25th ultimo, pursuant to previous announcement and as will be seen in the report of the secretary in this issue candidates for House of Delegates and for Commissioner of the County Court were the only straight out nominations, and that N. C. McNeil, Esq., for Prosecuting Attorney and Mr. Geo. W. Whiting, for Assessor were endorsed by the Convention as independent candidates. Though some who were there say they were actually nominated. Be it as it may they are Republicans, endorsed by a Republican Convention which means virtually a nomination. If it was only an endorsement as they claim, of course it was for political capital—they knowing it is impossible for a Republican nominee in this County to be elected and taking this plan to get the votes of the few so-called Democrats and bolters, if there are any to get their men in.

It isn't necessary to take up more space, on this subject as we are sure every voter who has the least drop of the good old Democratic blood in his veins will see at a glance the little dodge of the Republicans to get a few of our votes, and will stick to the strait Democratic ticket when the time comes.

After the Convention E. P. Buckner, Esq., Republican nominee for Congress made an address, which of course went down well with the Republicans. He had no adhesive to the truth which certainly was not looked for by his Democratic hearers, it never is as it is invariably understood that such a thing in a Republican speech is utterly absurd.

Patent Facts.

The Republican party is pledged to the support of the force bill.

The Democratic party is pledged to resist the passage of the force bill.

The people's party is opposed to the passage of the force bill.

If the opponents of the force bill unite they can defeat its passage.

If the opponents of the force bill are divided into two parties the Republican minority will triumph and pass the force bill, and thereby entrance itself in power for twenty years.

Farmers of Virginia, can you afford to give the support of Virginia to the force bill party by encouraging a division in the rank of its opponents?

It is Harrison or Cleveland, which will you take?—Lynchburg Advance.

DRISCOL'S WARNING.

Driscol, O! Driscol, beware of the day, when the democrats shall meet thee in the campaign array. Think now on thy folly and repent ere it is too late, lest thy thrice deceived friends turn the over to fate. The friends who have loved thee and in thee believed, will quickly desert thee when they find they are deceived. Will their fond infatuation still with thee stay, when for Canada's false dollar you follow I satin away.

Driscol O! Driscol, beware and be wise, you can't knock the persuasion with republican lies, when the ladder you stand on is held by the ropes that are made for and anchored on democracy's votes. The conceit that thou now hast, thy pride to exalt, will cause thee to journey up the river called salt.

Driscol O! Driscol, now call a halt thy noncommittal policy is sadly at fault. The voters will support a defied man in thy stead, thou who like the oracle both sides can be sides can be read. Thy defeat is assured, thy grave has been made, the strong hand of destiny cannot be staid. Thy boasted popularity shall melt like the snow and leave thee completely over whelmed with thy woe, and when next November o'er thy aspiring head rolls, they will carry the voterless home from the poles.—[Contributed.]

Fry the Hillsboro Training SCHOOL.

The coming session will be of more interest than ever as two new departments of study will be introduced. The one the Reading Period of an hour each day, during which the pupils retire from the school room, one at the time alternately, and spend an hour in the reading of some good author. At the expiration of every month pupils will be required to rehearse the reading of the month in the presence of the members of the literary society. By this means pupils will be enabled to acquire knowledge which they do not get in the text book readers.

The other, a special course in the study of the Bible. This takes three years for completion.

At the close of the coming session a certificate of proficiency will be given to all completing the public school studies. We will also make the necessary preparations to give diplomas to any completed the full course of the school.

The faculty, the coming session, will be composed of the Shearer sisters. The new building will be completed by the opening of the coming session, and will afford accommodation for twenty-five boarders, and comfortable seating capacity for one hundred students. The charges for boarders are from \$115 to \$150 per whole session for board, English, and Music. English tuition costs from \$12 to \$20, according to grade entered. The young ladies and children are carefully instructed in morals and religion. Send your daughters to us, we will take care of them and improve them.

The next session will open September 7th, 1892. Pupils do best to enter at the beginning and go full term.
